Chelsea Dexter Dental Group presents a Give Kids A Smile event in Chelsea , Michigan.

February is National Children's Dental Health Month. Children, ages 2-15, are able to receive no cost exams, x-rays, cleanings and sealants. Parents of young toddlers and babies are welcome to visit and talk about their children's teeth. Chelsea Dexter Dental Group invites you to attend a free program that will be held on Saturday March 3 from 9am to 1pm. at our Chelsea location, 901 Taylor St.

During the program parents will learn about when children should have their first dental visit, ways to prevent childhood cavities, proper brushing techniques, dental sealants, choosing mouth guards for kid and how to avoid too much sugar in kid's snacks and drinks.

"Healthy smiles are important to children's self esteem. NO child wants a cavity! With a proper balanced diet and regular dental visits, their teeth can remain healthy and strong," Dr. Kelly Ann Scherr.
